Kyogle High School

Week 2 Term 1

Here to Learn, Here to Lead Program

FOCUS

Arriving to Class on Time

Students **MUST** be in class at all times.

This looks like:

- Knowing my timetable and attending the correct class
- Walking **directly** to class after each bell
- Waiting for my teacher in a quiet and orderly manner
- Sitting in class ready to work by the second bell
- Filling my water bottle **BEFORE** I get to class
- If I really need to go to the toilet I go to class first and ask my teacher

Discussion and Brainstorming

“Why is it important to arrive at class before my teacher starts the lesson?”

Possible student responses:

- I get the maximum amount of learning time out of my lesson
- I am showing I am ready to learn
- I am showing I am responsible for my own learning
- I am being respectful to my teacher and fellow students
- I won't be disrupting my teachers lesson
- It affects my attendance record

Technique

- **If possible use the electronic whiteboard to mark the roll using ACADEMY. This is a chance to show students how it works and also gives you the opportunity to demonstrate that for each minute they are late it is recorded. It is also an added opportunity to openly mark uniform discrepancies.**
- It is a legal requirement to have an 85% attendance rate. Every minute adds up and affect students overall attendance.

Consequences

This is a chance for you to have a discussion about **your** consequences for students who are consistently late.

- Teacher detention
- Pink slips
- Head teacher referrals etc
