

Kyogle High School

Here to Learn Here to Lead

Week 9 Term 1

Here to Learn, Here to Lead Program

FOCUS

Dressing Appropriately

Kyogle High School now has a full school uniform that can be purchased at the school through the P & C. There is NO NEED to purchase any part of the school uniform anywhere else.

This looks like:

- Wearing the correct school uniform, including socks and covered shoes.
- Wearing my uniform in the correct manner:
 - **No tights/leggings without skirts or shorts.**
 - **No short shorts or tight black skirts.**
 - **My school skirt is not folded over at the waist.**
 - **No knots in the back of t-shirts.**
 - **No folds in the arms of sleeves.**
- The uniform is clean and tidy.

Discussion and Brainstorming

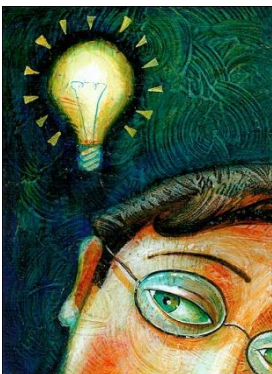

“Why is it important that I am dressed appropriately and in the full school uniform?”

Student responses could be:

- I am dressed in a safe manner suitable for all of my classes and any excursions that I take.
- I am representing myself and my school.
- I am not making it difficult for others by making them feel uncomfortable due to the way I am dressed.

Activities

- Use real life situations to discuss why we need to practice this skill, E.g. getting and keeping a job
- Many jobs have uniform for safety purposes: brainstorm

Some peoples' life circumstances make it difficult for them to be as organized as others. Discuss.

We do have 'student assistance' for students who need support with regards to uniform. See the office or your year advisor.
