Week 1 of Cycle

Term 3 Vol 20

Next P&C Meeting - Thursday 19 August 2010

FROM THE PRINCIPAL

It is difficult to believe that Year 12 are in the throes of their last few weeks of secondary schooling. While we are finishing the last units, preparing major projects and preparing for the HSC Trial Exams, we commend those students who are focused on the rewards at the end. They are working hard and consistently and should reap the benefits. I have read drafts of Extension 2 English, been privy to watching some outstanding HSC Visual Art Projects and noted the music echoing from the Year 12 class.

We had an important Information Night last week for preparing Year 8 into Year 9, and Year 10 into Year 11 in 2011. Students and parents were given information about subject choices and had a chance to meet with faculties and specific subject teachers to gather information before making choices. Each student was interviewed by staff on Thursday and Friday so that they made informed decisions about subjects. Thanks go to Mr Tony Page for organising the night and Mr Steve Ormond for organising the interviews. A big thanks to staff who stayed behind on Tuesday night to talk to parents and carers about subjects. Thanks to our CLO, Mrs Jan Langfield, for her support also.

As you are aware the Regional Athletics Carnival at Nana Glenn was postponed at the last minute due to the rain. It will now be held next Tuesday 10 August and we wish all our competitors all the best for the day.

We are waiting to hear where and when our Under 14s Rugby League Team will be playing their next match. We will let you know when we know.

Have a great week.

COMMUNITY LIAISING

✂ Last week, due to rain, the Regional Athletics Carnival at Nana Glen had to be postponed. We apologise for any inconvenience to people for this. Unfortunately it was not announced until the morning of the Carnival. This Carnival will now be held on Tuesday 10 August at Kingscliffe.

✂ After much concern about numbers and cost it has been decided that the Year 11 Snow Excursion will go ahead. The group will leave on Sunday 15 August and will return on the morning of Friday 20 August.

✂ The Trial HSC starts on Monday 9 August and will finish on Monday 16 August. Students have been given the Exam Timetable. Year 12 need to be doing revision of their notes and are encouraged to ask their teachers about anything they are not sure of.

✂ On Wednesday, 4 August, the P&C Association will be drawing the winner of the fee payment prize. The prize is a \$100 open order for shopping in Kyogle.

✂ On Friday 6 August there is an excursion going to the Byron Bay Writers Festival. This is a great chance to go to this exciting regional event. Notes are available at the office and the cost is \$10.

✂ The under 14s Rugby League Team is fundraising at present selling tickets downtown and conducting a car wash at school. They hope to raise enough money to fund the bus to their next game which is in Sydney or Singleton (to be advised) in a few weeks.

✂ Thank you to all the students and families that attended the Subject Information Night last week. There was a great roll-up and it was wonderful to see so many involved in this important education process. The subject selection forms for Year 10 were due back last week and those for Year 8 are due this week. This is the first round of selections where it is decided what subjects will run. The next selection sheets will possibly be out next week.

If you have any concerns about school you are welcome to contact me at school or on 6633 9132 after hours.

SRC NEWS

- ◆ Last Thursday the Year 9-10 Music class held their performance during Period 4. They did really well and we all enjoyed watching and listening to each performance.
- ◆ We are hoping to instal the new soap dispensers in the girls’ and boys’ toilets some time this Term. Have a great week.
From your SRC

TO ALL PARENTS AND CARERS

► If your child is absent for any reason the school needs to be notified. A note sent with the student on the next day of attendance is sufficient, otherwise a telephone call to the office. This is a legal requirement.

► If there is any change to your student’s details (address, phone no., medical etc.) please notify the school as soon as possible. It is essential we have accurate records for our students.

► Please be aware that Interstate excursions are no longer covered by our school ambulance cover due to changes in reciprocal arrangements. Students ARE covered by our ambulance cover within NSW and if your student requires ambulance transportation, there is no charge to the parent/carer. If you receive a bill, simply bring it in to the school and we will take care of it.
