Week 2 of cycle

Term 3 Vol 4

CHS STATE ATHLETICS

Well done and congratulations to Rocco Partridge, Thomas Farragher, Ziah Piggott, Bridgette Hoffman and Piper Parker for their combined efforts at the CHS State Athletics Carnival held recently in Sydney. Some pre-official results include an impressive gold medal win by Ziah in the 14 Years Boys 200m track event and also gold medal win by Bridgette Hoffman in the 14 Years Girls Long Jump. At this stage, both Ziah and Bridgette have qualified for the NSW All-School Athletics Championships and have also produced results good enough that may qualify them for National All-School Athletics Championships. Once again, congratulations to all students and their families involved on this outstanding representation and effort at such a prestigious athletics event. **Mr Raz**

PRINCIPAL'S REPORT

District Office Awards

Last week I had the pleasure of attending the District Office Awards held at Lismore High School. These awards recognize staff, students and community members for outstanding commitment to public education. Congratulations to Alako Myles Year 10, Mr Scott Taylor, Mr Brad Rasborsek and Mrs Louise Petherbridge from the P&C, for their awards. Well deserved.

Mobile Phones and Personal Devices

The school has made the expectations around use of mobile phones and personal devices cleared for students and parents to follow. This was the result of parents wanting clearer guidelines to be able to support the school rules concerning mobiles, ipods etc. The updated procedure was tabled at P&C on Tuesday night and discussed. Staff and students will be reminded of responsible and acceptable use of personal devices over the next few weeks.

Safe on Social

Reminder that our Community Information Night regarding safe use of social media will be held in the school Hall on Thursday 25 October 6.00pm for 6.30pm. The P&C will be providing a light supper. Please let any interested community members know about this event.

Trees in Car Park

As you may have noticed, the trees in the Staff Car Park have been looking very sad and sick. We have had instances of branches falling on cars and despite heavy lopping of branches, we continue to have dead wood appearing. Some of the trees are covered in mould and others have fungi growth around the base. On the advice of WH&S and a qualified arborist, we have decided to remove the trees and replace them with natives that will not be compromised by the road and the car park cement but will still be beautiful shade trees. It is anticipated that the trees will be removed these holidays and replaced with sizable trees.

Year 12 Final Weeks

Year 12 are certainly on the count down. Next week and Monday of Week 10 are regular school days and students are expected to attend all timetabled lessons and to be in full school uniform. There are planned activities Tuesday and Wednesday for Year 12 as a celebration of completion of schooling at Kyogle High School. I remind students to behave responsibly and in a manner that brings credit to themselves, their families and the school. We are proud of our current Year 12 and the way they conduct themselves during their schooling and I remind them that antisocial activities are not appropriate at any time.

Have a great fortnight.

Gae Masters - Principal

DEPUTY'S REPORT

Welcome to this issue of the KHS newsletter.

Congratulations to Holly Walters (*Distinction*), Estelle Hand and Dahnae O'Burn-Crocker, studying Biology and Sharka Hill and Shannen Elefsen, studying Communications. I had the pleasure of attending the 2018 Southern Cross University Headstart celebration on Wednesday evening. These students have worked tirelessly to gain precious units and acceptance offers into SCU. I wish them well.

The warmer weather is starting to prevail but it is timely to remind students and parent/carers of our positive expectations around uniform and especially around the wearing of tights. I would encourage all parents/carers not to send students to school wearing tights. Students wearing tights will be asked to change into more acceptable uniform options.

Be Safe	Be Respectful	Be a Learner
<ul style="list-style-type: none">• Leave bus and walk directly into school in the morning• Keep hands and feet to self• Stay in allocated area• Walk	<ul style="list-style-type: none">• Follow staff instructions• Use school talk	<ul style="list-style-type: none">• Walk to bus area after bell in the afternoon• Wait in line• Keep all belongings with you• Report any issue to staff

David Hanley - Deputy Principal

Mr Thomas George, Alako and Director Educational Leadership Rebecca Langdon at the District Office Awards 2018

YEAR 11 STUDY DAY

Last Thursday the 6th September KHS Year 11 students were involved in a 'Study Skills Day'. The day included skill development and activities delivered by KHS teachers with a special interest in providing a modern and successful approach to learning and study. Teachers and students focused on key areas such as stress management techniques, time management and scheduling skills, HSC goal setting and study skills that aim to maximise outcomes. Students were also treated to morning tea and lunch provided by Kyogle High School. Our students thoroughly enjoyed the various Study Skill presentations and took away some valuable tools to help them overcome challenges they may face over the next coming 12 months as they either work towards the HSC or enter the workforce. We wish our current Year 11 students well as they complete their preliminary courses and start HSC content next term. Thankyou to Mr Rasborsek, Miss Gulliver, Mr Lederbauer, Mr Stewart, Mr Fowler, Mrs Edmunds and Mrs Masters for their involvement in making this day a success.

Rachael Rasborsek (Study Skills Day Co-Ordinator)

COMMUNITY ANNOUNCEMENTS

FREE ROAD SAFETY WORKSHOPS FOR KYOGLE AND GOONELLEBAH

Member for Lismore Thomas George invites road users to attend free road safety workshops in Kyogle and Goonellabah during September.

Mr George said the morning workshop each day is aimed at helping older road users learn about changes to licensing rules.

"The Older Road Users workshop will provide information and tips to improve safety for older drivers when they're out and about, on or near roads."

Information and checklists will be provided for all road users, whether they drive, ride, walk, catch public transport or use a mobility scooter, or a combination of these.

The evening workshop is to support parents and supervisors of learner drivers to be effective teachers.

"The Helping Learner Drivers Become Safer Drivers workshop includes information about licence conditions for learner and P-plate drivers, tips for using the learner driver log book and the importance of providing constructive feedback," Mr George said.

Location	Seniors Session	Learner Supervisors
Kyogle: Tuesday 25 th September Kyogle Family Support Services Neighbourhood Centre	11am to 1pm	6pm to 8pm
Goonellabah: Wed 26 th September Goonellabah Community Centre	10am to 12pm	6pm to 8pm

TAS DEPARTMENT

Food Technology

Year 7 have been very industrious this Term learning about the basic food groups, characteristics of food and recipe modification with healthy ingredients. Students deconstructed a sausage roll recipe then modified it with healthy vegetables and herbs. Clearly cooking the recipe was the most enjoyable part as demonstrated during their cooking practical photos below.

Year 9 and 10 this term have learnt basic biscuit and cake decoration techniques. Students have worked together to cook a variety of cake recipes and individually decorating them with icing, making buttercream frostings and learnt how to mix colours to make some very interesting cakes for an upcoming High Tea Party. Well done to all students for giving this unit of work your best effort!

Mrs Byrnes - Head Teacher TAS

HSC WORKS OPEN DAY

HSC works for Design and Technology, Industrial Technology and Art will be on community display on Wednesday 19th September 3pm - 5pm

Come along to the hall and take a look at the projects our Year 12 students have been working on for their HSC!

Neil Steele - TAS Teacher
